

# A Winter Affair at Clarkes Hotel, Shimla.

**Clarkes Hotel**  
A heritage hotel since 1898

Clarkes Hotel, located next to Shimla's bustling promenade – the Mall Road, embodies and retains the elegance and charm of the colonial era. Combining the charm of yesteryears with modern conveniences, the hotel is an ideal base to explore the historic landmarks like Viceregal Lodge, Gaiety Theatre or to just take a leisurely walk along the ever popular Mall Road.

In a first of its kind directive, The Ministry of Tourism has reclassified Clarkes Hotel as a Heritage Grand hotel based on the hotel's immaculate maintenance and well trained and professional staff.
