## MOTIFS

With each Vivanta hotel we present a few novel offerings to our guests. These motifs are a representation of the Vivanta philosophy of hospitality with a difference.

At the Vivanta Holiday Village we present a range of adventure activities through the year. Try your expertise at jumaring, rappelling and rock climbing. We even have some great trekking on the menu.

Explore the vicinity of the waterfront with a trip to the Aguada Fortress and lighthouse. Our professional guide explains the intricacies of the local flora and fauna as you pass an ancient Banyan Tree, mangroves and even a quaint church. You will even see the picturesque confluence of the Mandovi and Zuari rivers. The fort and lighthouse are an integral part of Goa's history and standing on the ramparts of this relic is one of the highlights of the tour.

Goa's legendary Balchaos, Vindaloos and Sorpotels acquire their flavour from the fresh spices that are cultivated here. Take a walk down the spice route with the Chef Culinaire of Goan Cuisine, Urbano de Rego himself. Stroll through the colourful bazaars of Mapusa as Chef Rego describes the ingredients that are essential to Goa's culinary history. The tour ends with a delicious meal prepared by the Chef and a memorable gift as well. You can also take home a small treasure box of the Chef's very own spice mix.

We also have a special something that will take you back to Goa's Flower Child culture of the seventies. This culture flourished in the exotic flea markets of Goa, and that's just what we have recreated for you. Every Saturday, a little piece of the hotel gets transformed into a Goan bazaar. So lose yourself in a brilliance of colours as you are charmed by henna tattoos, nail art, vibrant music and tempting street food. It's the Goa you always wanted to discover.
