

Australian Memories
9 Nights / 10 Days
3 Nights Melbourne / 3 Nights Gold Coast / 3 Nights Sydney

Australia officially the **Commonwealth of Australia**, is an Oceanian country comprising the mainland of the Australian continent, the island of Tasmania, and numerous smaller islands. It is the world's sixth-largest country by total area.

Its major cities are Sydney, Melbourne, Brisbane, Adelaide and Perth.

Melbourne, Victoria's coastal capital, is a city of stately 19th-century buildings and tree-lined boulevards. Yet at its centre is the strikingly modern Federation Square development, with plazas, bars, restaurants and cultural events along the Yarra River

The Gold Coast is a metropolitan region south of Brisbane on Australia's east coast, famed for its long sandy beaches, surfing and elaborate system of inland canals and waterways.

Sydney, capital of New South Wales and one of Australia's largest cities, is best known for its harbourfront Opera House, with a distinctive sail-like design.
